A Tourist's Delight

THE PRINCIPALS

Ms. Anjali Aggarwal, the Principal of St. Mark's Sr. Sec. Public School, Meera Bagh, is also the Director of St. Mark's Group of Schools. She has varied interests and is, particularly, passionate about reading, poetry, dramatics, music and travel. With over 30 years of experience as an educator, she has been a prominent and significant part of many changes made in the field of education. A visionary, Ms. Aggarwal likes to keep pace with the latest trends in school education. She believes in the right amalgamation of the latest technology and textbooks in a classroom. Her constant, untiring efforts have led St. Mark's School to become a prominent institution not only in Delhi but also at the international level.

She loves to engage with children of all ages and wants them to blossom as good human beings. Under her dynamic leadership, St. Mark's School, Meera Bagh continues to spread its wings all across the globe nurturing the citizens of tomorrow.

Mr. Fernando Costa is the Principal of Agrupamento de Escolas de Caneças, a group of six schools: 4 primaries, 1 elementary and one secondary.

He was the Principal of Escola Secundária de Caneças since 1986 before this school became the Head School of Agrupamento de Escolas de Caneças in 2013.

A Biology teacher, his leadership and vision in the field of education have had an impressive impact not only in the school but also in the community.

He has been at the front of the many changes occurred in the Portuguese Educational System and the benefits are evident in the schools he runs. Mr Costa has many varied interests in life and strongly believes that schools have to permanently adapt to the changes in societies and the world but stressing at the same time what defines us as human beings in order to help students develop different skills and an acute sense of citizenship.

THE SCHOOLS

St. Mark's Senior Secondary Public School, Meera Bagh, is a co-educational English medium institution, inaugurated on April 20, 1990.

In 2015, the school celebrated 25 years of its existence. With a strength of 3800 students and a staff of around 150, the school is growing by leaps and bounds. The school motto 'Loyalty, Truth and Honour' conveys the school's expectations from the students. Recognized by the Delhi Administration, the school follows the CBSE Syllabus. It has laboratories, libraries, all Audio-visual facilities, a play field for all the major games (cricket, football, basketball to name a few), hobby clubs and co-curricular activities like camping and educational excursions. In addition to the above, there is a Maths laboratory and Resource Rooms for English, Hindi, Sanskrit. The school believes in the maxim - 'The World is a big Family' hence reaches out to partner with both domestic as well as international organisations, thus, grooming the students for global citizenship.

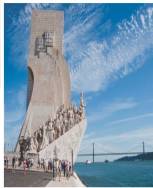

Escola Secundária de Caneças, Head School of Agrupamento de Escolas de Caneças, celebrates its 35th anniversary this year and is a reference educational institution in the Municipality of Odivelas. With 1187 students who attend day classes from the 8th grade to the 12th grade and about 700 adults attending evening classes, the courses range from elementary levels to secondary ones in Science, Humanities, Economics and Visual Arts. Vocational courses are also offered by the school thus allowing students to have wider possibilities of academic accomplishments according to their needs and tastes. Technology is also an important part of students' curriculum and extra curriculum activities; the school also takes part in many different projects, locally, nationally and internationally, participants having been the recipients of several awards throughout the time.

The school has been at the front of different reforms planned by the Ministry of Education, stressing its involvement in the search of new methodologies and practices in the field of education.

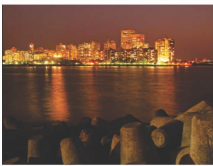

7

DELHI AND LISBON

Capital cities, situated on a river bank, both have great historical significance and are major urban agglomerations of their respective countries

MUMBAI & CASCAIS

Coastal towns, cosmopolitan suburbs and both are one of the richest municipalities.

6

KOLKATA & BELEM

Both are ports of major significance and are known for their grand colonial architecture.

CHENNAI & FARO

Major ports and are known for producing many useful materials.

THE ORIGIN

It all started in December 2008 when the representatives of the two schools, Mr. Carlos, Ms. Louisa and Ms. Geeta Rajan attended the 7th Asia Europe Foundation Conference in Sabah, Malaysia..In 2010, Mr. Carlos and Ms. Louisa visited India for the 9th ASEF Conference organized by St. Mark's School, Meera Bagh. Since then, the two schools have been working together on online projects, the latest being Travel Diaries.

3

ASEF CLASSROOM NETWORK ASEF CLASSNET

ASEF Classroom Network (ASEF ClassNet) fosters collaborations among secondary and high school teachers and students in Asia and Europe. Harnessing the potential and opportunities of Information and Communications Technology (ICT) for education, the ASEF ClassNet comprises of three activities: ASEF ClassNet Website to connect schools and teachers through one online platform ASEF ClassNet Online Collaborations jointly developed and run by Asian and European schools to facilitate and promote intercultural exchanges between teachers and students ASEF ClassNet Conferences for teachers to network and to train their professional skills To-date, more than 1,300 teacher members from 44 ASEM countries have been participating in either of the above activities and have become members of ASEF ClassNet. In addition, more than 19,000 students have been engaged in 298 Online Collaborations between Asian and European schools since 2001.
