Every man is architect of his own fortune. God helps those who help themselves. Hence, we must work with unflinching zeal and enthusiasm to reach our desired goal. There is no dearth of instances where common man has arisen to touch the pinnacle in his chosen field. One can achieve such success only when one embodies good habits. It's an old but valid saying that habits die hard. It cautions us to be circumspect while cultivating attitude because once it metamorphose into a habit, it will be too difficult to overcome. The secret of successful people is that they don't easily indulge in negative habits which tarnishes one's image. So, we implore all our readers to strengthen their good habits and strive to replace negative habits if any, with positive ones.

"You Are What Your Habits Are".

A TRIP TO NASA (USA)

"Minds like parachute only function when open" and opening up of students mind is the primary aim of our school in order to make them the citizens of the world.

In this regard, an overseas Educational Trip was organized by the school in which students led by Vice Principal Ms. Alka Kher went to NASA – USA and completed a two day's camp – the Mecca of Aeronautics.

This journey exposed our students to unique learning opportunities such as **Student Astronaut Training Experience (SATX)** and conducting **Space Experiments** with NASA educators. Students benefitted a great deal after interacting with the NASA scientists, watching 3- D Space movies and doing a tour of the center.

One to one interaction with the NASA Astronaut made them aware about their world and their **Space Exploration Programmes** to find about the "New World" which is yet to be discovered. Students also visited the Niagara Falls and New York City, acquired knowledge and appreciated the artistic expertise after seeing the statue of Liberty (NY), Universal Studios and had fun at Disneyland Park. The entire experience made them confident, expressive and thus a Global Citizen.

UNBOX 21 PROJECT

Ms. Anupam Ganesh , along with 4 other teachers from West Delhi schools represented the SMS cluster in the BC Unbox 21 project. This educational research project was initiated by **British Council** in collaboration with **Science Learning Centre, University of Brighton**, Imagine Education & others. Interaction with the delegation of Science educators of various schools of India along with British schools became a part of this unique programme. The over reaching goal of the project was to develop a teacher's capacity to embed digital game based learning into the class room to support 21st century skill development and thus enhance student engagement. The week long programme was held at the **National Science Learning Centre, Bristol, UK** from 22 April to 28 April. Our group visited **Writhlington school at Bradstock** to understand the UK education system.

GOONJ

The empathetic side of the young Markians was seen when they generously contributed large quantities of stuffed toys, shoes, stationery items, books, clothes, blankets, bedspreads etc. to the NGO – the 'Goonj' Society.

We make a living by what we get, but we make a life by what we give

AEC Online

The Global Team of our School for the session 2011-12 successfully completed their **AEC Online Global Projects** in collaboration with Greece, Singapore, Sweden and Ireland under the guidance of their Global Project Co-ordinator Ms. Archana Tyagi.

TIME TO UNLEARN AND RELEARN

The Annual Conference on '**LEARNING FOR LIFE CHANGING EDUCATION PARADIGMS**' was attended by Ms. Alka Kher, Vice Principal along with five teachers. The event was organized by Forum of Public Schools. The Chief Guest Mr.Vineet Joshi, CBSE Chairman lighted the lamp. On this occasion while addressing the educators, Ms. Nalini Singh , a well known journalist spoke on meaningful life through right skills. The speakers enlightened the audience about the importance of teaching the students to do well holistically in all domains of life. They emphasized that every child has immense potential which need to be recognized, explored and honoured. Today, the teachers should learn to unlearn and relearn in order to adopt various ways to suit the multiple needs of all students.

EARTH DAY

Our primeval Mother Earth is an organism that no science in the world can rationalise. Everything on Her that crawls and flies is dependent on Her and all must hopelessly perish if that earth dies that feeds us. Humans ultimately depend on the health of the planet for their well being.

To sensitize the students of their ethical obligations towards Mother Earth, various activities on the occasion of the Earth Day were organized at different levels.

Classes VI, VII and VIII were in the competition category. To explain the importance of 3R's (Reduce, Recycle and Reuse), the students were asked to make interesting artefacts from eco – friendly waste material.

VISIT TO BRITANNIA BISCUIT MANUFACTURING UNIT

Falling in the line of CBSE directive and guidelines and to lend students an edge in the ever changing business environment, an education trip for class XII Commerce students was organized by Ms. Ruchika Paul (PGT-Commerce) to the Britannia Biscuit manufacturing Unit at Lawrence Road, New Delhi. Such practical experiences not only give insight in understanding the relationship between business process and society but also help in inculcating in the students the spirit of team work, problem solving by time management and analyzing and synthesizing relevant information to come to meaningful conclusion.

VISIT TO S.O.S. VILLAGE - BAWANA

Vice Principal Ms. Alka Kher and Teacher Incharge Ms. Deepa Haruray alongwith a group of 50 students went to SOS Village Bawana on 20 July'12 and interacted with the children, visited their homes and also met their mentor mother. We appreciate these ever loving and self sacrificing mentor mothers who help these children blossom in this beautiful world of GOD !

VISIT TO KINGDOM OF DREAMS

Education is not confined to class rooms. As part of gaining insight into the diversity of our motherland, students of our school visited Kingdom of Dreams, Gurgaon which is a hub portraying our cultural diversity. Children discovered the varied customs, crafts, cuisine and arts as they strolled along the center's indoor boulevard – "Culture gully". They were fascinated by the wonderfully carved sculptures and were inquisitive to know more about the models and structures they saw for the first time. The staff of Kingdom of Dreams made the street walking a knowledge gaining experience along with entertainment.

GAMES & SPORTS

Our Sub – Junior **Handball Team** has done us proud again! Our girls were selected in the National team of Delhi and went to Himachal Pradesh for 29th Sub-Jr. Open National Girls Championship and bagged third position by defeating Chandigarh in semi – finals.

The tournament was held in Bilaspur, H.P. from 22 May to 28 May. A prize money of Rs. 7000/- was given to each of the team member.

MOMENT OF PRIDE

Meenakshi Sharma of X E has been felicitated by **The Times of India NIE Programme** for participating in a two week Summer Training Session.

June 14, 2012

Certificate of Honour

The Times NIE Programme has been dynamically contributing to making learning fun. The Summer Training Programme, takes forward our philosophy of helping students to evolve into well-informed, articulate individuals by providing an intensive and challenging journalism programme coupled with marketing inputs in the field of media.

Times NIE has actively tried to promote the effective usage of newspapers in education and create a generation of young readers who are acutely aware of the world around them. More importantly, through its academic and personality-building activities and its customized student newspaper, The Times of India NIE has consistently provided a platform for students to express their views on important issues and hone their writing skills by writing regularly for the student edition. For its pioneering efforts, the Times NIE programme has been internationally acclaimed as the World's No. 1 by the World Association of Newspapers and the International News Media Association.

The Times of India NIE Programme felicitates **Meenakshi Sharma, X-E, St. Mark's Sr. Sec. School, Janakpuri**, for participating in a two-week, Summer Training Programme with The Times Group, conducted exclusively for Times NIE member students. We are proud to certify that **Meenakshi Sharma** successfully met all the challenges and is an aspiring journalist today, having learnt how to report and edit stories, write reviews and news features and design colourful, reader-friendly pages. We wish her all the best in the future.

KEEPING PACE WITH TIME

A leadership skill workshop for little young leaders of Class V was organized by Macmillan Publishers. Mr. Bhavesh Suryakant, a senior resource person helped children to build their confidence and shape up their creative and energetic potential. Several fun-filled and informational activities that encompassed important topics and are foundational in guiding the child in the right direction were conducted.

Teachers are potent factors in education. It is imperative that teachers acquire the totality of the information and qualities of education through instructions and training which maximize the development of an individual physically, mentally and morally. Teaching strategies acquired from seminars and workshops would be effective in the hands of effective teachers.

Keeping this objective in mind, Commerce Teachers Association (CTA) organized a one day **Professional Enrichment Workshop** at SBDV Public School, Vasant Vihar. Ms. Ruchika Paul and Ms. Vandana Shah, PGT Commerce attended the workshop which was aimed at providing useful insight and knowledge in the project work related to Business Studies and changes in the Revised Schedule VI for preparing Balance Sheet and Statement of Profit & Loss for accountancy teachers. Resource persons Dr. Sandeep Sethi and Dr. D.K.Goyal did full justice to the workshop which helped nearly 160 teachers from Delhi, Haryana, Punjab and UP to upgrade their knowledge.

Commerce Teachers' Association (CTA) held its fifth A.G.M as well as a workshop on Business Studies for the member teachers on 12 May. Ms. Ruchika Paul, PGT Commerce attended the meeting. Various important issues were discussed and decisions made on membership criterion, Commerce Olympiad, felicitation function, etc. Later, Dr. Minoo Nandarajog, Reader in Commerce, DESSH, NCERT; Dr. Anand Saxena, Reader DDU College and Dr. M.M.Goyal, Principal, PGDAV College, DU conducted the workshop.

ENGLISH POETRY RECITATION

It is rightly said by the poet and philosopher Khalil Gibran that 'Poetry is a deal of joy, pain and wonder with a dash of dictionary'.

Keeping in tune with the words of great poet, English Poetry Recitation Competition was held for classes I to V, wherein the diverse themes of nature, sports, fantasy, great people, humour, patriotism, folktales and legends, childhood experience, science fiction, classics and school life were touched upon, which not only sensitized the children with the sheer joy of poetry but also made them aware with the technical aspects of poetry and hence encouraged an unrestricted flow of ideas and expressions.

A LEADER IN ME

There is a leader in me
Which is not easy to be in everyone.
First quality of a leader is-
Kindness, truth and honesty.
There is a leader in me.

Second that it works like our heart
Which cleans the blood to give it in all
parts.
Leaders also work everyday
To keep bad things away.
There is a leader in me.

They made us happy, sad and cross.
There is no doubt that they are the boss.
So, all the leaders who are like this,
One of them is me,
That's why there is a leader in me.

NATURE'S BOUNTY

Sun shining in the bright sky,
Birds from the nests, ready to fly
Farmers working in their farms,
Cows moving in the barn.

Let's come to the woody side,
Parrots tasting, fruits that are ripe.
Under the layer of the maturing sun,
Monkeys through their vines run.

Flowing through the river side,
Blossoms beneath the rocks hide.
Tiny rabbits playing the game,
So are the animals, not to tame.

No one respects the gift of God,
Destroying the nature, fussing a lot.
Kept aside is beauty of nature,
Full of millions of amazing creatures.

MY BEST FRIEND

My best friend is the best
I don't like the rest.
My best friend is a boy,
He doesn't play with any toy.
He likes to study,
He's a cool buddy.
He has some torches
and their light,
He never goes for any fight.

OUR PLANET EARTH

Lord , you have made our
planet earth
A place of birth,
Where the people live and
Bring happiness of joy,
We all are one,
To make this planet no.1
Greenery is important,
To live on this planet,
We love our planet,
We love our earth.
It is a sphere,
But becoming like a hexagon
make this planet no. 1.

MY DREAM

I had a dream last night
I saw myself in a fight!
Soldiers were running,
Foxes looked cunning.
And horsemen rode by streams.
I thought it was all a land of dreams
Breeze brushing my face,
My dress had a lovely lace
I saw a beautiful tree,
We were playing and were free.
I saw a rose bush,
But someone gave me a push.
I woke up and felt good.
As I saw a red riding hood !!

OUR HEAVEN EARTH

Our earth is blue and green
With the trees around,
The earth is heaven for us,
A special gift from God,
The earth is round in shape,
With many cities on his face,
A beautiful place to live in,
With good environment and
fresh air

OF DREAMS AND REALITY

New phone, an I-phone,
Books or Macbookair?
My old game, forget it's name,
New car, need of the hour
I want it all, I want it all!
Let's come to the woody side,
One night, I dreamt of it,
Everything new, sparkling and hit,
Now in the society, I would fit,
A magnificent dream I knit.
Flowing through the river side,
Suddenly the phone bell rang,
Trin tran trin tran.
Hello friend I said and shared my
thoughts
But she told me ought not!

I wondered once the gadget falls and
break.
It becomes for us nothing but waste.
Kept aside is the beauty of nature,
Friend you made me ponder even more,
My old gadgets and car
I would throw away far,
And my country shall receive the dump
Apart from other nations that pump.

Now I understand,
My mother land
Needs a fairy's wand.
and some greener bands.

We humans need to raise our voice
And get out of this gadget freak choice
