EDITORIAL

Over the centuries man has evidently transformed his way of living. New discoveries, inventions and deeds have made life more comfortable for man. But one thing that remains unchanged is that a lot of blood has been shed in the name of religion. Even though the ways of worship are different in every religion, the paths of our entry or exit from the world are the same. We should live like honest human beings, ever ready to render selfless service to humanity and all creations of God. Any strife in the name of God is a beastly action, which should be condemned with all the force at our command. Religions are important paths of spiritualism and gateways to the Divine Providence. So instead of fighting in the name of religion, it is better to respect all of them, thereby establishing peace and harmony all over the world. Life of all sorts must be sacrosanct and we should try to live a holy life like a pilgrim who helps all with whatever he can.

A WISH TREE WITH A DIFFERENCE

Making wishes come true.

Many a times we all feel a twinge of despair when we see poverty, hunger and helplessness around us. Yet, there are many amongst us who strive ceaselessly to translate the dream of a happy world filled with smiles into a reality. The class VI students of our school, celebrated the 'Joy of Giving Week', from 2nd to 9th October 2013, an initiative by Goonj, in a novel way. They prepared a wish tree and hung small colourful slips on which they mentioned all that they wished to gift to their less fortunate brethren. Throughout the week the young students made the collections. Their colourful parcels included stationery items, colour boxes, T-shirts, sweaters, tiffin boxes, story books, sports items and more than 100 school bags which were gratefully accepted by the Goonj representatives.

SPORTING STARS

The Junior Badminton Champs.

Patel House Football team.

Sports has become an essential part of the curriculum. Keeping this in mind, we organized the **Annual Sports Day**. The events were just not limited to only one day but for almost a week. The students were divided in categories of Sub-Juniors, Juniors and Seniors for different events. They participated in large number in many different games and athletic events like Football, Cricket, Basketball, Volleyball, Shot put etc. The event created an athletic environment in the school and the students were very excited and enthusiastic to play. It also taught them to be disciplined in not just sporting events but also in all spheres of life.

A CRICKETING ICON COMES BACK HOME

Our school had a very special guest on 30 November 2013, as Shikhar Dhawan, the explosive opening batsman of the Indian Cricket Team paid a visit back home. Shikhar visited the school to be part of a signature campaign conducted by the school, which saw students, teachers and the management of the school sign a cricket bat thanking the legend Sachin Tendulkar for his contributions to the game. Shikhar Dhawan, as the alumnus of the school, was also a part of this campaign. He also sought blessings from his coach, Mr. Madan Sharma, before his departure to South Africa to play in the series against the Proteas.
