EDITORIAL

Dear students, your radiant lovely faces and the innocent eager learning eyes are an inspiration for teachers to work hard and make you intellectuals too. You constantly have to strive for perfection while taking the aces up your sleeves under their guidance. But do remember that you don't have to become like someone. Be yourself. You were born an original so why copy others. Be the best version of yourself. There is no need to be a combination of Einstein and Beyoncé. Be your own best. Look at the epic people- -the common thread is right utilization of time and an ever learning spirit. This will surely guarantee your success.

'If you can't be a highway, then just be a trail. If you can't be the sun, be a star. It isn't by size that you win or fail. Be the best of whatever you are'.

IDEOLOGUE - ANNUAL INTER SCHOOL ENGLISH DEBATE COMPETITION

"Speech is power. Speech is to persuade, to convert, to compel." - Ralph Emerson

Our school organised the 7th Annual Inter-School English Debate Competition IDEOLOGUE with elan. The Preliminary Round was held on 4 and 5 August and the Final Round was held on 25 August. The competition witnessed an enthusiastic participation from around 50 venerated schools across Delhi NCR.

In the Preliminary Round, the competition was a kaleidoscope of opinions, thoughts and perspectives that enhanced the knowledge and understanding on the topics '**Chat GPT is an impediment to school Education**' and '**Political Awareness among the Elite is Inconsequential**.' The participants were judged by Dr. Rajya Lakshmi, Associate Professor(Sociology), Janki Devi Memorial College, Delhi University, Ms. Vaijayanti Savant Tonpe, renowned writer who has worked with leading publishers of childrens' books and Dr. Antara Bhatia, Professor in the Department of English at Ramjas College, University of Delhi. A rejuvenating meditation session was also organized for the teacher incharges accompanying the participants. The session was conducted by Mr. Mitra Prawesh and Ms. Maitreyi Mamta.

The participants of the top-notch 20 schools, who won in the Preliminary Round, expounded their strong and vociferous opinions on the topic '**National Allegiance in Our Country is Not Evolving in Tandem With Religious Zeal'** and competed for the Rolling Trophy. The participants were judged by Dr. Sachin Nirmala Narayanan, Associate Professor of English Literature, Dyal Singh College, Delhi University along with Ms. Simi Srivastava, Master story-teller and Founder of Kathashala- a story-telling institute and studio and Ms. Arvinder Kaur Pabla, Master Coach and Lead at SGT University and a certified CELTA trainer. The occasion was graced with the revered presence of the School Chairman, Mr. T. P. Aggarwal, Director, Ms. Anjali Aggarwal and Manager, Mr. Rahul Aggarwal. A cordial and hearty welcome was extended to all by the Principal, Ms. Inderpreet Kaur Ahluwalia. Vice-Principal, Ms. Anie Benny concluded the event by proposing a vote of thanks. DOXA YOUTH MODEL UNITED NATIONS (MUN)

"If your actions inspire others to dream more, learn more, do more and become more, You are a Leader."
— John Quincy Adams

Our School, Janakpuri, hosted the third online edition of DOXA YOUTH Model United Nations (MUN) on 19 and 20 August, 2023.

In today's era of globalization, understanding the world is more crucial than ever. Regardless of their future fields or professions, students will engage with individuals from diverse countries and backgrounds. The challenges occurring in far-flung regions impact our lives, country and local communities. MUN equips students with a global perspective as they research, represent foreign nations, and propose solutions to worldwide issues. The event welcomed over 100 delegates from 15 renowned schools globally.

The opening ceremony commenced with the lighting of the ceremonial lamp, marking the beginning of the meet. Our School Principal, Ms. Inderpreet Kaur Ahluwalia, extended a warm welcome to the guests and delegates.

DOXA YOUTH MUN was privileged to have luminous members of its Executive Board Mr. Shivam Gupta (UNHRC), Mr. Archit Malhotra (G20), Mr. Soham Ahuja (AIPPM), and Ms. Kashish Gumber (UNCSW)—hailing from across the country, including the Delhi-NCR MUN circuit.

The conference featured a dynamic mix of four committees, both conventional and unconventional, each focusing on specific agendas:

- **UNHRC**: Deliberation on "Islamic Fundamentalists are Creating Unrest in the Middle East and European Countries which in turn is Increasing Hate Crimes and Violence".
- **G-20**: Re-assessing the Current SDG Road Map and Creating an Effective Plan of Action for 2030 Agenda.
- **AIPPM**: Deliberation on the Ongoing Ethnic Violence in Manipur with Emphasis on Developments in Northeast Region under NDA Government.
- **UNCSW**: Deliberation on Gender Based Persecution with Special Emphasis on Repressive Enforcement of Iranian Hijab Law.

This conference prompted students to voice their opinions and solutions concerning current global, social, economic and political matters. Delegates across India and around the world gained insight into the stance of the assigned country regarding specific agendas.

To conclude, the MUN emerged as a resounding success, leaving a notable impression, especially on the young delegates who left with newfound empowerment and a determined resolve to initiate positive transformations.

GVC 2023 GRAND AWARD

Global Virtual Classroom is an online collaborative learning project that fosters creativity and cross cultural understanding. Sponsored by GSBI, the GVC program provides a unique opportunity to primary and secondary school students from different countries to work with and learn from one another. They collaboratively design a website on a topic of their choice. A panel of judges evaluates the final work and determines the winners.

It is a matter of great pride that the Secondary Team of our school won the Grand Award in GVC 2023. The team comprising of 30 students from classes IX and XI worked enthusiastically under the able guidance of their teacher coordinators, Ms. M. Uppal and Ms. A. Bisht. The students of our school worked with the students of Daija Senior High School, Taichung, Taiwan and SLEV Private High School, Istanbul, Turkey to create a website on the theme 'The Unfiltered Vision; Remove the Disguise'. The website beautifully depicts the efforts to combat global matters such as poverty, gender bias, taboo against disability, intolerance, climate change and cyber bullying. It was a collective effort by the students of all three schools showing their responsibility towards the society to promote an inclusive view of the world. The students and the teacher incharges were felicitated by our Principal Ma'am, Ms. Inderpreet Kaur Ahluwalia.

GENERATION GLOBAL

"The greatest threat to our planet is the belief that someone else will save it." - Robert Swan

Students from our school – Tushar Jha (XII A), Pulkit Sukhija (XI C), Angel Pahuja (XI E), Drishti Verma (XII C), Ananya Bhalla (XI A), Sambhavi Singh (XI C), Jasleen Kaur (XI B) and Prathana Aggarwal (XI A) participated in Generation Global Video Conference on the topic 'Climate Change', along with students from School 28 Cherkasy, Ukraine; Man 2 Kota Makassar, Indonesia; Cherkasy Sanatorium School, Ukraine and Gems Modern Academy, Dubai.

Students created an enriching learning environment for themselves by sharing their opinions on climate change with their peers and engaging in an interactive discussion.

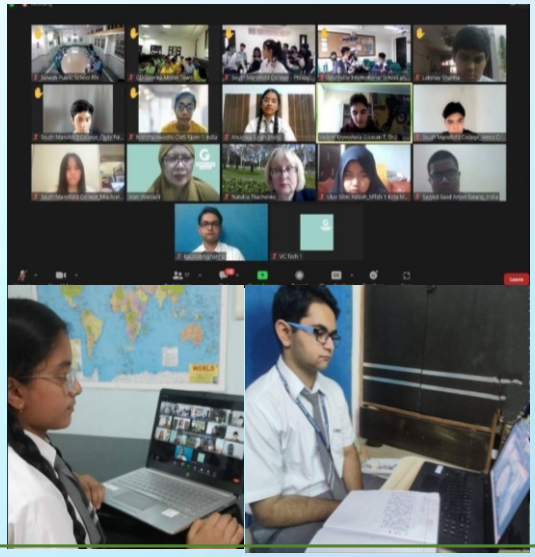

GENERATION GLOBAL VIDEO CONFERENCE

Aristotle once said, "Knowing yourself is the beginning of all wisdom." Exploring identities is critical for dialogue and for building communities.

Students from our school – Anushka Singh (IX-B), Kaustabh (IX-B) and Lakshay Sharma (IX-C) participated in Generation Global Video Conference on the topic 'Identity and Belonging', along with students from GD Goenka Public School, Model Town; City Montessori School, Lucknow; Salwan Public School, New Delhi; South Mansfield College, Philippines; Southville International School, Philippines and some students from Ukraine and Indonesia. Students interacted with their global peers about 'Identity and Belonging' and sparked much needed conversations.

WORDSMITHS

Writing can be a powerful tool for self-expression, and by sharing your own experiences and emotions, you can help to create a connection with your readers.

'BriBooks' is a creative writing platform that enables children of all ages to learn creative writing and get their books published on BriBooks and Amazon. We are thrilled to announce that the books authored by two of our talented young writers, Vanya Bansal (lll D) and Pranshi Kapoor (Vll A), have been published by BriBooks. In her book 'Safar Diaries', Vanya delves into some captivating journeys that she undertook and talks about the exotic locations she visited. While Pranshi, an avid reader, shares her travelling experiences and some useful tips for travellers, in her book 'Unleashing the Joy of Travel'.

SAVE THY RIVER

The Yamuna River holds a special place in the hearts of people due to its cultural, historical, and ecological significance, while the river faces several environmental challenges.

With the objective of preserving the river and ensuring that it remains a symbol of beauty and heritage for generations to come, Government of NCT Delhi launched the campaign 'I LOVE YAMUNA' at Chhatt Puja Ghat, near ITO on 17 May 2023.

People gathered in support of the cause and Hon'ble Chief Guest, Shri. Gopal Rai (Minister Of Environment and Forest), gave away saplings to children and encouraged them to fight for the cause of making Yamuna clean again. Students and teachers from our school joined the campaign and showcased their support for our precious Yamuna River.

Our school held a heartwarming ceremony wherein our Principal, Ms. Inderpreet Kaur Ahluwalia, pinned badges of responsibility to the monitors of classes Nursery to XII. The event emphasized the pivotal role that these young leaders play in maintaining discipline, fostering unity and setting a positive example for their fellow students. The badges, gleaming with purpose, symbolize the trust and confidence bestowed upon the monitors by both, the school administration and their peers.

INVESTITURE CEREMONY

Fostering leadership qualities should commence during a student's formative years, recognizing their role as future trailblazers. It is imperative to shape their character by instilling values of self-esteem, self-control, and empathy. With unwavering conviction, we appointed a Student Council compriskng of Office Bearers from classes IX, XI and XII.

The Investiture Ceremony took place on August 18, 2023, in the esteemed presence of our Chairman , Mr. T.P. Aggarwal, Manager, Mr. Rahul Aggarwal, Principal, Ms. Inderpreet Kaur Ahluwalia, and Vice Principal, Ms. Anie Benny. The event commenced with hoisting of the school flag along with the school song. Chairman Sir and Principal Ma'am pinned the badges on the lapel of the office bearers and bestowed upon them sashes that denoted their entrusted duties and authority.

Head Boy, Tanmay Mehndiratta, and the Head Girl, Diya Chawla, led the swearing-in ceremony for all the office bearers. They took an oath to follow the school rules and uphold its core values of 'Loyalty, Truth, and Honour.' Our Manager, Mr. Rahul Aggarwal advised the Student Council to maintain a friendly and approachable demeanour, ensuring that students feel comfortable reaching out to the office bearers for assistance. Our Principal expressed her faith that these young leaders will imbibe the values of righteousness, empathy and selflessness, and fulfil their responsibilities to abide by the rules of their institution.

EARTH DAY

"The Earth is what we all have in common."

Accountability is a part of humanity, and our actions have an impact on living things. The more knowledge we have, the better choices we make in our actions. That is why Earth Day is celebrated on April 22 every year. The day reminds us that the environment we live in, requires a lot of protection.

The day started with the encouraging words of our Principal, Ms. Inderpreet Kaur Ahluwalia, focusing on protecting the environment through various ways. The students together took a sincere pledge to keep the Earth healthy and green for all the living beings. They were shown a documentary on 'Global Warming'.

Students of Class Nursery made adorable 'Planet Earth' cut-outs using poster colours and paper plates.

Students of KG engaged in making 'Mother Earth' headgears by colouring the cut-outs of Earth. The day culminated with 'Plant a Seed' activity wherein students planted seeds in pots, thanking Mother Earth for its precious gifts.

Students of the Primary Classes enthusiastically participated in numerous activities and celebrated the various gifts bestowed upon us by Mother Earth. They took a pledge to preserve the planet, sang songs about cherishing Mother Earth and engaged in activities like Scavenger Hunt, planting seeds and designing logos. Students also made attractive flipbooks to pen down ways in which they can protect the planet.

Students of Class IV celebrated Earth Day in a special way by spreading the message of saving plants.

Students of class VI displayed their creativity on old cloth bags with slogans about the individual actions to protect their Mother Earth. Students of class VII prepared presentations on endangered animals and discussed various ways to protect them. Students of class VIII researched about the various ongoing campaigns and created beautiful and meaningful blogs about such campaigns. A Special Assembly was conducted on the occasion of 'EARTH DAY' by the students of class IX A to showcase how we can invest in our planet to make it a better place to live in. Students presented beautiful poems and shared their thoughts upon this wonderful event. They pledged to make a number of small changes like stopping pollution of our environment, saving water and taking care of the other living creatures on the Earth.

Environmental Quiz for class IX was held on the topic Plastic Waste Management to make students aware of plastic waste management system.

For class X, ECO WARRIORS activity was organised in which students came up with an idea of creating a political party. They prepared presentations on electoral campaigns and new political parties.

Students of class XI participated in 'Ad Mad'. The students came up with different innovative sustainable energy equipments and ideas like : E-bikes to reduce the green house effect and global warming, use of Tidal energy and electric tyres running through friction heat. The students presented their content through advertisements using digital posters, videos and power point presentations.

For class XII, SHARK TANK activity was organised in which students worked in pairs on different start up ideas revolving around 'Invest in our Planet for Green Future'. Students presented their ideas like : The marketing synergy, Edible cutlery, Go vegan and many more.

SCIENCE & MATHS QUEST

"The quest for knowledge never ends; it just leads to more curiosities that lead to a greater mind."

Our students participated in Science & Maths Quest with great learning fervour in a plethora of activities lined up for them. Students were provided a platform to explore, design and hone their skills in Science and Technology and create love for Maths.

The students of class VIII participated in the activity 'Research Paper Presentation', wherein they chose from topics like Microbiology, Nanotechnology, Space Technology, Robotronics , Virology, Biotechnology, etc. and prepared an extensive research report in the form of a PowerPoint Presentation.

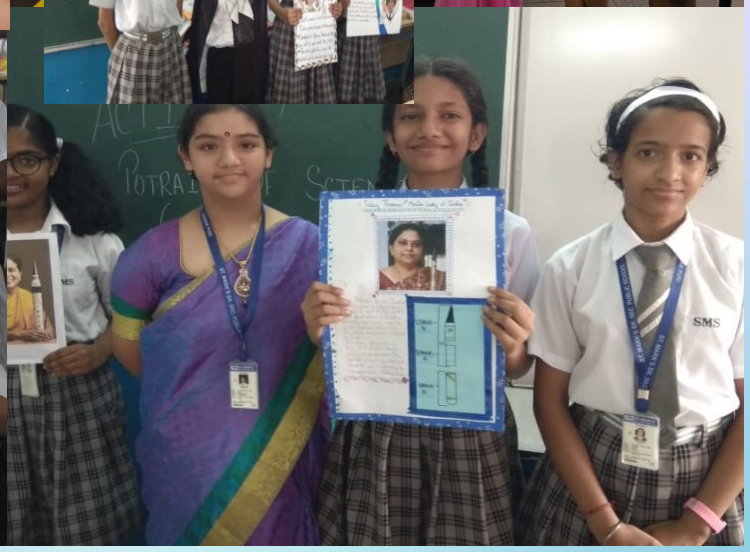

The students of class XI participated in the activity 'Falling Walls', wherein they presented documentaries on topics like Sweat Powered Smart-watches, Car-free cities, Zero Waste Society, Eco-bricks, etc. The judges were highly impressed by their elucidation and creativity. The students of Class XII participated in the activity 'Dare to Know' as a part of the Science Quest and prepared Research Papers on topics like Hyper-personalised Medicine, Solar Paint, Bio-printing, etc.

The primary objective of organizing **Maths Quest** was to make students understand the connection between geometric shapes and real life situations. As a part of the Maths Quest week, the students of class VI formed various geometric 2-dimensional and 3-dimensional shapes and presented interesting puzzles. PRASHAST

An engaging and knowledgeable session on 'Orientation of stakeholders on PRASHAST mobile app' was conducted by NCERT. Central Institute for Educational Technology – NCERT launched 'PRASHAST' App during Shikshak Parv on 6 September 2022. PRASHAST is a screening tool designed for regular usage by school teachers/special educators for Children with Special Needs. The purpose is to assist in the formal identification and certification of disabilities by early identification at the school level, listing them among the 21 disabilities as per the Rights of Persons with Disabilities Act, 2016. The Orientation was attended by Special Educator and School Counsellor.

THE READING ROOM

Everyone has stories to tell, but storytelling is a skill that can be developed and used as a tool to powerful effect. Developed and used purposefully, storytelling can contribute to inclusion and connection, build confidence and bring about change. With the objective of spreading awareness and appreciation for storytelling as a tool of entertainment and education, 'The Reading Room' workshop was organised by Kathashala at M.L. Bhartia Auditorium, Lodhi Road on 26 April 2023. The resource person, Ms. Simi Srivastava, beautifully explained the significance of stories in our lives and how listening to stories can help young learners develop a passion for reading. She spoke at length about the importance of body language, voice modulation, expressions and eye movements as storytelling tools and the usage of songs or jingles in engaging students. Ms. Simi narrated popular tales like 'Geet ka Kamaal' and 'Farmer Falgu goes on a Trip' to showcase how stories can help us in building a connection with the students. Ms. R. Sharma from the Primary Wing of our school attended the workshop and found it extremely fruitful.

CAPACITY BUILDING WORKSHOP

"Education is the most powerful weapon which you can use to change the world." - Nelson Mandela

A capacity building workshop on "Learning Outcomes and Pedagogies" was organized by CBSE. The workshop aimed to equip teachers with essential skills to improve classroom efficiency and foster a conducive learning environment for students. The esteemed resource persons, Dr. Veena Mishra and Ms. Palavi Sharma, led the workshop, focusing on the significance of learning outcomes over learning objectives. Mr. Yash Makkar, Deputy Secretary and Head of the Centre of Excellence, Delhi West, graced the occasion as the Guest of Honor. His presence added a sense of prestige to the workshop, inspiring the participating teachers to embrace innovative teaching methodologies. They were welcomed by the Principal, Ms. Inderpreet Kaur Ahluwalia. The workshop emphasized the importance of training teachers in formulating effective learning outcomes that define the expected knowledge, skills and attitudes students should acquire at the end of a lesson or course. This approach enables teachers to design their pedagogy in alignment with desired outcomes, ensuring a more focused and goal-oriented learning process. Dr. Veena Mishra and Miss Palavi Sharma conducted several experiential learning activities. The interactive sessions highlighted how SMART(Specific, Measurable, Attainable, Relevant, and Time-based) teaching techniques could foster a deeper understanding of concepts and boost academic performance. Throughout the workshop, various challenges faced by educators in the modern educational landscape were addressed.

EASTER

"Hippity, hoppity, Easter's on its way!"

Easter is a time to rejoice and be thankful for the gift of life. Students of classes I, II and III celebrated this joyous festival by making adorable 3D Baisakhi puppets and beautiful kites using 'Tearing and Pasting' method.

BUDDHA PURNIMA

Buddha Purnima commemorates the birthday of Gautam Buddha, the founder of Buddhism. To mark this special occasion, students of Class III C presented a special assembly showcasing various events from Buddha's life. They sang a beautiful song, highlighting the significance of being a good human being and implying that each person who has right intentions and a pure heart is a Buddha. Subsequently, they presented a dance-drama depicting the life of Gautam Buddha, from being a king to a monk, and giving up the luxuries of life. They also performed meditation and asked the audience to join them in the experience.

EID-UL-FITR

Eid-ul-Fitr is a pious occasion for Muslims to feast and rejoice and to be grateful to the almighty Allah for all that he blesses us with. The festival marks the closing of the month-long Ramadan fast and symbolizes virtues like patience, piety, godliness and fortitude. Students of Class V-B presented a special assembly highlighting this festival. They sang a beautiful song wishing everyone Eid Mubarak and followed it up with a graceful Sufi dance performance. Students and teachers also relished eating 'Sevaiyaan'.

ONAM

"Onam is not just a festival to cherish, but a moment to reincarnate a past of prosperity and goodness."

To celebrate this auspicious harvest festival, a special assembly was organised by the students of Class lll-G on 24 August 2023. Students donned vibrant costumes and enacted a play based on the story of the legendary king Mahabali, sharing an important lesson that Good always triumphs over Evil. The exciting festivities such as boat race, tiger dance and rangoli-making added joy and fervour to the celebration of this festival.

Through their mesmerizing storytelling skills, students were able to make everyone appreciate the significance of Onam and how it is celebrated in different ways in Kerala.

RAKSHA BANDHAN

“Raksha Bandhan - A beautiful bond of love, trust and responsibility forever.”

Raksha Bandhan is a special occasion to celebrate the eternal and auspicious bond between brother and sister and the affection of the siblings in the family. The students of classes Nursery and KG celebrated Raksha Bandhan with great zeal and fervour. The main objective behind celebrating this festival is to make children aware of the virtuous bond of love between a brother and a sister which is one of the deepest and noblest of all human emotions. The vibrant, colourful rakhis and the innocent smiles of the students brightened the ambience of the classrooms.

INDEPENDENCE DAY

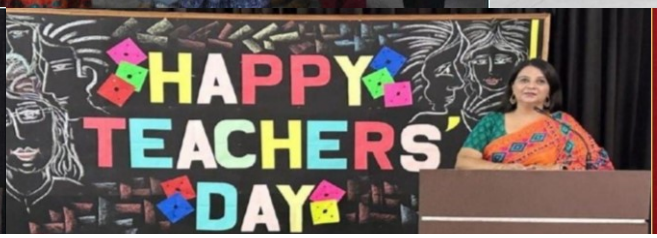

"To be free is not merely to cast off one's chains, but to live in a way that respects and enhances the freedom of others."

The significance of our Independence Day cannot be overstated, as it represents the culmination of countless sacrifices, struggles and heroic endeavors by the nation's freedom fighters. Thus, to showcase the importance this day holds, students of Class V commemorated the occasion with splendor and elegance as they sang melodious songs, danced to the tunes of patriotic music and presented a 'Live Museum' depicting the struggles of some unsung heroes of the freedom struggle. Our young actors beautifully portrayed the characters and mesmerized the audience with their performances. Students of the primary wing dressed up as our famous freedom fighters. The momentous occasion was graced by our Manager, Mr. Rahul Aggarwal, Principal , Ms. Inderpreet Kaur Ahluwalia, Vice Principal Ms. Anie Benny, Discipline and Admission Incharge, Ms. Jyotsna Vishwakarma, School Coordinators, staff members and students. Our principal admired the patriotic spirit with which the students presented the programme and appreciated their hard work.

HAPPY TEACHER'S DAY

Teachers' Day was observed in a special way to appreciate and honour the incredible legacy, invaluable contribution and unwavering support of teachers in moulding the lives of students.

Mother's Day

Father's Day

Students expressed gratitude to their parents by showering them with adorable tokens of love.

JANMASHTAMI

"A man is made by his beliefs. As he believes, so he becomes." – Lord Krishna

The pious festival of Janmashtami commemorates the miracles of Lord Krishna, the eighth incarnation of Lord Vishnu, who is also known as the Purna Avatar or the complete manifestation of the supreme cosmic energy. It is one of the most auspicious festivals that is celebrated with a lot of happiness, fervour and faith.

To celebrate the occasion, students of class KG put together an outstanding dance drama showcasing the life of Lord Krishna. Students dressed up in bright-coloured costumes and presented various tableaus depicting the story of the birth of Lord Krishna, Conquering the vicious Kaaliya Nag, Saving the villagers from the wrath of Indra and lifting the Govardhan Parvat, the dance of Divine Love or 'Ras Leela'. The enactment and the dances brought forth the triumph of good over evil and gave a message to every individual to do good karma without expecting anything in return.

GANESH CHATURTHI

Students of Class l celebrated the festival of Ganesh Chaturthi with great pomp and zest as they captivated their audience with an amazing show. They presented an enactment depicting the rebirth of Lord Ganesha and how he came to be known as 'Gajanana'. Students also showcased some graceful dance performances and mesmerized everyone with their expressions and synchronised movements!

WOW WEDNESDAYS

"Together may we give our children the roots to grow and the wings to fly."

Our students love Wednesdays when they have great learning experience with parent volunteers teaching them activities in their own way. To make it fun and more interesting for our dear students, **wonderful Wednesdays** are filled with a plethora of interesting activities. Parents participated proactively and were delighted to share their skills like story telling, cooking without fire, dancing and fun games with the little ones. Children brimmed delightfully and had great fun while doing these activities with their parents.

MONSOON WEEK

'With the first monsoon rain falling on dry earth, came the most pleasant fragrance of the entire universe.'

It's time for sweet earthy smell, for the tiny droplets on the window panes and for the thundering sound of the rain. Students of class KG celebrated 'Monsoon Week' to welcome the rainy season. They were engaged in a realm of activities like preparing refreshing lemonade, brush painting on a T-shirt cutout and singing rhymes and songs on rain. These activities helped the students in expressing their creativity, learning vocabulary related to this sublime season and celebrating its splendor and beauty.

ANIMAL WEEK

Through a diverse range of activities and engagements, students were encouraged to become compassionate stewards of the natural world.

SCHOLASTIC BOOK *FAIR*

'Books are the storehouse of knowledge.'

To celebrate the joy of reading books and to inculcate reading habits among the students, St. Mark's Sr. Sec. School, Janakpuri, organised Scholastic Book Fair from 24th to 29th April 2023. It included a diverse selection of books from several categories to motivate the readers. The book fair commenced with the inauguration by Admission and Discipline Incharge, Ms. Jyotsna Vishwakarma, in the presence of Ms. Sushma Saraf, representative of Scholastic India Pvt. Ltd. She encouraged the students to select their favorite books as reading not only helps us to learn new things but also improves our communication skills. Students were motivated to become avid readers and explore these treasure houses of deep knowledge. Students of classes II to VIII explored all the varied kinds of genres of books according to their individualistic preferences during the whole week.

EXPERIENTIAL LEARNING

Experiential Learning Activities play a significant role in student learning and engagement. Students feel motivated and take learning as a challenge. Activities help students to make and sustain the effort of learning. Students benefit from the opportunity to reflect upon their learning and to ascertain progression towards outcomes. They provide practice in the basic language skills - listening, speaking, reading and writing. They encourage learners to express their thoughts, ideas and feelings spontaneously. Learners get the exposure to learn from their teachers and peers thus enhancing their language prowess and the ability of creating logical thinking sequentially.

“Happiness is when Goodness meets you.”

It is rightly remarked that “Happiness is when what you think, what you say and what you do are in harmony.”According to Aristotle, Happiness consists of achieving all the goods - health, wealth, knowledge, friends and family which leads to the enrichment of human life. Happiness is a choice because every person can choose to make the best out of his/ her circumstances and strive for a happy and joyous life.
